GENERAL NOTES:

- Manikins purchased in conjunction with a site license MAY NOT be relocated to other sites.
- Delivery times are dependent on Stock Availability and may be in excess of 10 weeks.

NOTES FOR ANNUAL SOFTWARE AND USERS RENEWAL FEE.

- The annual renewal fee is charged yearly (from the date of purchase).
- Remaining (unused) users cannot be transferred or carried over from year to year.
- Renewals are based on the stock number purchased or a lower number of users. Higher renewal stock numbers cannot be purchased for manikins of lower stock numbers (less users) without purchasing an upgrade.
- The fee is on a per manikin basis unless a site license is purchased. The site license applies to manikin(s) registered to a specific single site and is not transferable.
- The fee provides ongoing access up to the specific number of users purchased for 1 year.
- The fee also includes continued access to all software upgrades.
- The fee includes access to online databases.
- The fee provides access to technical support.
- The fee includes archiving of test results for clients using the internet option and submits the results.
- The fee provides access to the corporate Admin and Admin Login web pages with password protection.

NOTES FOR TIK and USERS ONLY purchases:

- Launchpad Multimedia does NOT guarantee that TIK and Users ONLY purchases will work with all pre-existing Ambu SmartMan C manikins. It has been designed to work with Ambu Man C delivered from 2007 and after.
- If you purchase a TIK and it does not work with your existing Ambu Man C, the full price you paid will be put towards purchase of a complete Ambu SmartMan system.
- Launchpad Multimedia must be notified within 30 days of delivery that it does not work with your manikin for this upgrade offer to be valid.
